

ENVS UG Scholarship

To encourage students to choose BSc Environmental Science as major, the Department of Ocean Science set up an annual “ENVS UG Scholarship” for students who achieve outstanding academic record in the freshman year and choose BSc Environmental Science as major.

[1] **Award:** One-off scholarship of HK\$20,000 (First-class) or HK\$10,000 (Second-class).

[2] **Eligibility to apply:**

- Year 1 students who selected BSc Environmental Science as one of the choices in major declaration, and
- Obtained cumulative grade average (CGA) of at least 3.3 as of Spring Term in the first year of study.

[3] **Selection Criteria:** Students with (1) excellent academic achievement, and (2) outstanding personal qualities as demonstrated during an interview conducted by Department of Ocean Science.

[4] **Application Procedure/ Deadline:** Interested Year-1 students should email the completed application form and a copy of unofficial transcript to ocesugsch@ust.hk by **26 April 2019**.

[5] **Schedule:** (a) Application deadline: **26 April 2019**. (b) Interview: Shortlisted candidates will be interviewed in May 2019. (c) Result: Scholarship offers will be made by June 2019. (d) Scholarships will be awarded during the following Fall term on condition that the awardee has registered to the BSc Environmental Science program as major.

[6] **Enquiries:** For any enquiries, please contact OCES office (Email: ocesugsch@ust.hk / Phone: 3469 2809)
